

# SURREY CHRYSANTHEMUM & DAHLIA SOCIETY

Newsletter August 2019

Dear Member,

Please note that our Main Show only on the 8<sup>th</sup> September is at the Arbor Centre Pyrford and that all other shows are at Abinger Hammer Village Hall.

Indeed, our next event is the August Members' Show at Abinger Hammer Village Hall, Felday Road RH5 6QX on Sunday 18<sup>th</sup> August. Entries must be with Kevin Tait on 01420 474528 by 8pm on Friday the 16<sup>th</sup> August. Staging is between 9.30am and 11.30 on the day of the show. We open to the public at 1.30 approximately with the awards being presented at 3.30. Don't forget the two Surrey Premier League classes for dahlias and chrysanths- see page 3 of the schedule. The weather is too hot for me this year and I will probably be in full bloom by then!!

Our Main Show will be at The Arbor Centre, Tegg's Lane, Off Coldharbour Road, Pyrford, Woking GU22 8ST on Sunday 8<sup>th</sup> September. Entries to Kevin by 8pm Thursday 5<sup>th</sup> September; staging 7 until 11; judging 11.15; show opens 2.30 approximately. Awards presented at 4.00 approximately.

As it is the first time for this venue, we would ask all members to be a little patient with us for this show.

I must admit to being a little concerned this year. As you know, the team who make up the committee is getting smaller in number. In addition, some are not in the best of health. We do urgently need others to volunteer to join our merry little band.

Ton-up results for February up until June are as follows:

<b>February 2019</b>			<b>March 2019</b>	
P.Dalby	£10 0	95	J.Jones	£10
J.Jones	£20	40	B.White	£5
Mrs J.Clark	£10	79	A.Brown	£3
H.Clark	£5	44		
<b>May 2019</b>			<b>June 2019</b>	
F.Austin	£10	31	M.Dixon	£10
K.Taitt	£5	14	A.Bridger	£5
F.Titt	£3	74	Mrs L.Jones	£3

This just leaves me to report that the plant sales were again very successful and made around £1,150. What a tremendous effort by just a few. Howard Cooper, Fred Austin, Keith Hine and Kevin Taitt made major contributions. A big thankyou to all those who helped. We do so much rely on the profits from the plant sales to be able to run our five shows a year.

I look forward to seeing everyone at the August Show.

Alan Moody
